Subj: EXCEPTION TO POLICY- ELECTRONIC BASED DISTRIBUTED LEARNING
(EBDL) CREDIT FOR JCWS-H

Ref:

(a) ALCGPSC 128/24

(b) Reserve Component (RC) Use of Electronic-Based Distributed Learning (EBDL)
Methods for Training, COMDTINST M1500.7 (series)

1. Reference (a) announced candidates selected for the Joint and Combined Warfighting School-Hybrid (JCWS-H) via the Reserve Senior Education and Fellowship Panel (SEFP). JCWS-H satisfies requirements for Joint Professional Military Education, Phase-Two (JPME-2). JCWS-H is recognized by the Department of War (DoW) Reserve Components (RC) as an eligible course for EBDL credit.
2. Effective immediately, reservists who were selected via reference (a) and subsequent SEFP panels to attend JCWS-H are eligible to receive EBDL points credit for the distance learning portions of the JCWS-H curriculum, provided they meet all other eligibility criteria for EBDL listed in reference (b). This exception to policy ensures alignment with DoW RCs, as well as Department of Homeland Security and Coast Guard strategies prioritizing warfighting capabilities.
3. Reference (b), paragraph 10.b.(8), will be updated to reflect this change in the next revision.
4. Questions regarding this exception may be directed to the CG-R5 EBDL POC, LT Eric Zupan, Eric.G.Zupan@uscg.mil
